

 **ACE**
Logistics Simplified

**WE ARE THE ACE
TO RIDE INTO THE
FUTURE WITH**

A Legacy build over 30 years of achieving

It was 1989 when Ace first came into being with two clients and three employees. Today under the leadership of our founders Mr Deepak Trivedi and Mr Uday Sait we service over 150 clientele with the support of over 100 Ace team members distributed over 4 locations in India. What started as a customs house agent has now grown to provide pivotal and comprehensive supply chain solutions.

Providing E2E support to a varied clientele both within India as well as globally. Managing exports across 111 countries including Europe, USA, the Middle East, far East, Africa, Australia and Japan and imports from over 30 destinations working through country laws which are evolving tedious and challenging.

Our Mission and Vision

Mission

At Ace, our roots may be in a family business, but our reach is now international. With our growth, we have never lost sight of the importance of teamwork and collaboration. We pride ourselves in being agile and innovative, allowing our clients to reach larger geographies via customized logistic solutions and the highest level of service & support. Our success has been and will continue to be built on the long-term relationship we forge with our clients.

Vision

Our Vision is to become the most trusted and preferred freight forwarding & logistics partner for businesses across the globe, by leveraging our expertise, technology, and extensive network of partners to deliver seamless and customized logistic solutions. We strive to constantly innovate and improve our services, and to create a positive impact on the communities and environment in which we operate.

Our Values

Innovation

At Ace, we value innovation as a key driver of growth and success. We are always looking for new and better ways to serve our customers and improve our operations, and we encourage our team members to think creatively and outside the box. We invest in cutting-edge technologies and stay up-to-date with the latest trends in the logistics industry, so we can offer our customers innovative solutions that help them stay ahead of the competition.

Teamwork

We believe that teamwork is essential to achieving our goals and delivering exceptional service to our customers. We foster a collaborative and supportive work environment where every team member is valued and respected, and we work together to solve problems and achieve shared objectives. We believe that by working together, we can achieve more than we ever could alone.

Customer First

Our customers are at the heart of everything we do, and we are committed to putting their needs first in all our business decisions. We listen carefully to our customers' feedback and concerns, and we use that information to continuously improve our services and exceed their expectations. We believe that by focusing on our customers' needs and delivering exceptional service, we can build strong and lasting relationships that benefit everyone.

Agility

The logistics industry is constantly evolving, and we understand the importance of being agile and adaptable in order to stay ahead of the curve. We are responsive and flexible, always willing to pivot and adjust our strategies to meet changing market conditions and customer needs. We pride ourselves on being able to move quickly and decisively while maintaining the highest level of quality and service.

Trust & Transparency

We understand that trust and transparency are essential to building strong relationships with our customers and stakeholders. We operate with the highest level of integrity and ethical standards, and we are committed to being transparent in our communications and business practices. We believe that by fostering trust and transparency, we can build long-term partnerships that benefit everyone involved.
